

Pathogen Alliance Privacy Policy

Last updated: October 2, 2020

This page informs you of our policies regarding the collection, use and disclosure of personal information we receive from users of pathogenalliance.com.

We use your personal information to provide and improve pathogenalliance.com. By using pathogenalliance.com you agree to the collection and use of information in accordance with this policy.

Information Collection and Use:

While using pathogenalliance.com we may ask you to provide us with certain personally identifiable information that can be used to contact or identify you. Personally identifiable information may include, but is not limited to your name ("personal information").

At Pathogen Alliance, we understand and respect the privacy of those who visit our web site. If you send an email inquiry to info@pathogenalliance.com your personal information, including your email address, will be used only for the purpose of responding to your inquiry and will not be shared with third parties. Such information may be retained for the purpose of tracking the types of questions received by Pathogen Alliance.

Log Data

Like many site operators, we collect information that your browser sends whenever you visit pathogenalliance.com. This Log Data may include information such as your computer's Internet Protocol ("IP") address, browser type, browser version, the pages of pathogenalliance.com that you visit, the time and date of your visit, the time spent on those pages and other statistics.

Pathogenalliance.com may contain links to other web sites, including social media pages administered by Pathogen Alliance. This privacy statement does not apply to linked web sites unrelated to Pathogen Alliance. Each web site should be checked for its own privacy statement. Pathogen Alliance is not responsible for the privacy practices or the content of linked web sites that are not administered by Pathogen Alliance.

Pathogen Alliance Communication & Information Sharing & Disclosure

We may use your personal information to contact you with Enewsletters, marketing brochures or promotional materials and other information. Pathogen Alliance does not rent, sell, or share personal information about you with other people or our business partners, or non-affiliated companies except to provide products or services you've requested, when we have your permission, or under the following circumstances: Respond to subpoenas, court orders, or legal process, or to establish or exercise our legal rights or defend against legal claims.

We believe it is necessary to share information in order to investigate, prevent, or take action regarding illegal activities, suspected fraud, situations involving potential threats to the physical safety of any person, violations of Pathogen Alliance terms of use, or as otherwise required by law.

If Pathogen Alliance is acquired by or merged with another company we may transfer information about you to the new company. In this event, Pathogen Alliance will notify you before information about you is transferred and becomes subject to a different privacy policy.

Security

The security of your Personal Information is important to us, but remember that no method of transmission over the Internet, or method of electronic storage, is 100% secure. While we strive to use commercially acceptable means to protect your Personal Information, we cannot guarantee its absolute security. Pathogen Alliance limits access to personal information about you to employees who we believe have a reasonable need to come into contact with that information to provide products or services to you or in order to do their jobs.

Cookies

Cookies are files with small amount of data, which may include an anonymous unique identifier. Cookies are sent to your browser from a web site and stored on your computer's hard drive.

Like many websites, we use "cookies" to collect information. You can instruct your browser to refuse all cookies or to indicate when a cookie is being sent. However, if you do not accept cookies, you may not be able to use some portions of pathogenalliance.com.

Contact
